Politeness continued to ring the bells with great success in the positive group's meetings. But it did not seem that the later positive groupings at last were in fact as much about moral rule books as group "contracts" and by now others at meeting times were time starting? Die wesentliche Frage ist, weshalb es nicht gelungen ist, einen einheitlichen Markt zu schaffen. Eine der Hauptursachen liegt darin, dass die Mitgliedsstaaten eine unterschiedliche Politik verfolgen. Die meisten von ihnen verfolgen eine Politik, die den Wettbewerb zwischen den Unternehmen fördert. Dies führt zu einer Fragmentierung des Marktes, da die Unternehmen in verschiedenen Ländern unterschiedliche Wettbewerbsbedingungen vorfinden. Dies ist ein Problem, das die Integration des Marktes behindert.
